Shickley Public Schools - Preparing Students for Success

## The Grind with Mrs. Coffey

We made it! We made it through a school year unlike any other, and as I reflect on these past three years a lot comes to my mind...

On March 5, 2018 my family and I said yes to Shickley Public Schools and the Shickley community. During these past three years we have added one more to our Coffey Clan and have forged many forever relationships. The staff, students, and families of Shickley are absolutely amazing; and my family and I will miss you. From “Diapers to Diplomas” Shickley Public Schools has so much to be proud of. The Early Learning Facility and early childhood program is one of a kind and a true, treasured gem. When your program is one of five across the country selected to be nationally highlighted, you are doing the right things. I have had the sincere privilege of honoring three graduating classes; one of which was on the football field with our graduates driving their very own golf carts. During my first year I stepped in to assist as a One Act coach and have spent many hours over the years listening and critiquing our drama performances and speech contest entries. Working with FFA individuals and teams as they were preparing for contests and then volunteering to judge FFA contests were also highlights of mine. I will miss cheering on the BDS Eagles, calling the play by play for volleyball on Striv, and being a part of this very successful COOP. Hosting the state championship football game this past year, winning said championship, and getting to see our lady eagles win back-to-back state volleyball championships will forever be fun and cherished memories. Throughout the years I have volunteered to host cheer clinics, coached youth softball, been a member of the Commercial Club, and lended a helping hand at the school and within the community whenever I could. March 17, 2020 will also be a date forever etched in my memory. Students, staff, and families were made aware that we would possibly not come back to school in person during the fourth quarter of the 19-20 school year. The very next day we went to remote learning, and learned so much throughout the process.

The SPS staff has accomplished so much these past three years. I wish them the very best as they continue to do what’s best for kids!

Next month, I begin my new journey at Milford Public Schools. My experiences as superintendent at Shickley Public Schools have undoubtedly made me a better educational leader and I appreciate all of those that have shown support over the past three years.

2021

As I told the graduating class of 2021...

Keep moving forward, and remember that some people are NEVER going to clap for you...WIN anyway!

## Shickley FFA's Annual Mulching

Shickley FFA once again helped out around the community of Shickley on the last Friday of the school year. FFA members placed mulch around trees in West Side Park, along the spur coming into town, at the Baseball Field and around the school. This annual project is one that members always look forward to. A big thank you to the Stengel family for helping us secure fresh mulch, the members who brought in their equipment to move mulch around town, and the members who brought shovels and rakes in to spread the mulch. What a great year it has been. We can't wait to see what next year brings.

### **Lyle Wagers Award**

Pictured above is Judy Filipi with the Lyle Wagers Award. Award recipient, Gary Filipi passed away on February 7, 2021.

The purpose of this award is to recognize a business, family, or individual that has been a significant partner supporting Shickley Public Schools. Lyle Wagers modeled this support through his commitment to the Longhorn students, staff, and teams. From Speech to playground duty, Lyle was willing to support and help out the school in any way he could.

Each year, staff members at the school nominate and vote on our public supporters; the business, family, or individual who receives the most votes becomes the Lyle Wagers Award recipient.

This year's award recipients have contributed many, many years of service to teaching, coaching, working and volunteering at Shickley Public Schools. In 1976, Gary Filipi became a teacher and head football coach at Shickley High School. He taught junior high health, physical education, and driver's ed, while serving as head football coach from 1976 to 2001, as well as head boys basketball, and head girls basketball throughout his tenure. These individuals were no strangers to state football playoffs, state basketball tournaments, or even a state girls basketball final that resulted in a state runner up. In 2001, Gary was honored through the Nebraska Coaching Association for 25 years of coaching, and after 38 years at Shickley Public School, retired from teaching in May of 2014. Last year, Gary's lucky pants could even be seen once again at Shickley, on stage when 2021 graduate, Raleigh Shipley, performed as "coach" in the Shickley One Act. Through all of these years, Gary's wife of 52 years, Judy, was by his side, and served as a strong Shickley supporter; even working many years and many jobs at Shickley Public Schools. Judy worked as a paraprofessional, in the kitchen, and even as a custodian. She served as a teacher's aide, completing tasks and running errands for teachers, and she was always a supporter of the Shickley Kids; attending many games and activities. This year, Judy even began subbing at Shickley Public Schools.

Just as Lyle Wagers modeled support through his commitment to the Longhorn students, staff, and teams, so has this year's Lyle Wagers award recipients. Congratulations to the 2021 Lyle Wagers Award recipients: Gary and Judy Filipi.

## Jr. High AR Clubs and Top Readers

Throughout the school year, the junior high students were given the opportunity to choose the AR club that they wanted to "join". Each club has different goals and incentives for the students to reach. The clubs include the 15-Point, 25-Point, 35-Point, and 50-Point. When a student meets their chosen goal, the incentives include bringing a small beverage and snack of their choosing to class, lunch with Mrs. Noel, and the most prized incentive is not being required to complete a book report for that quarter. The top reader for the quarter receives a \$5 gift certificate from a variety of businesses. For the fourth quarter, there were three students who earned the 50-Point Club status. They include Grace Tobias, Lexie Johnson, and Levi Kamler. Levi was also the top reader for the quarter reading 53.4 points.

Hello Everyone!!

Summer break is finally here! I am sure that you are all as excited as your children are that summer break is here. That means there is warm weather, ball games, lake days and a myriad of different activities that you are able to do with your families. I hope that you are all able to spend a little more time with your children this summer doing activities that you enjoy doing or that you may not have been able to enjoy last summer.

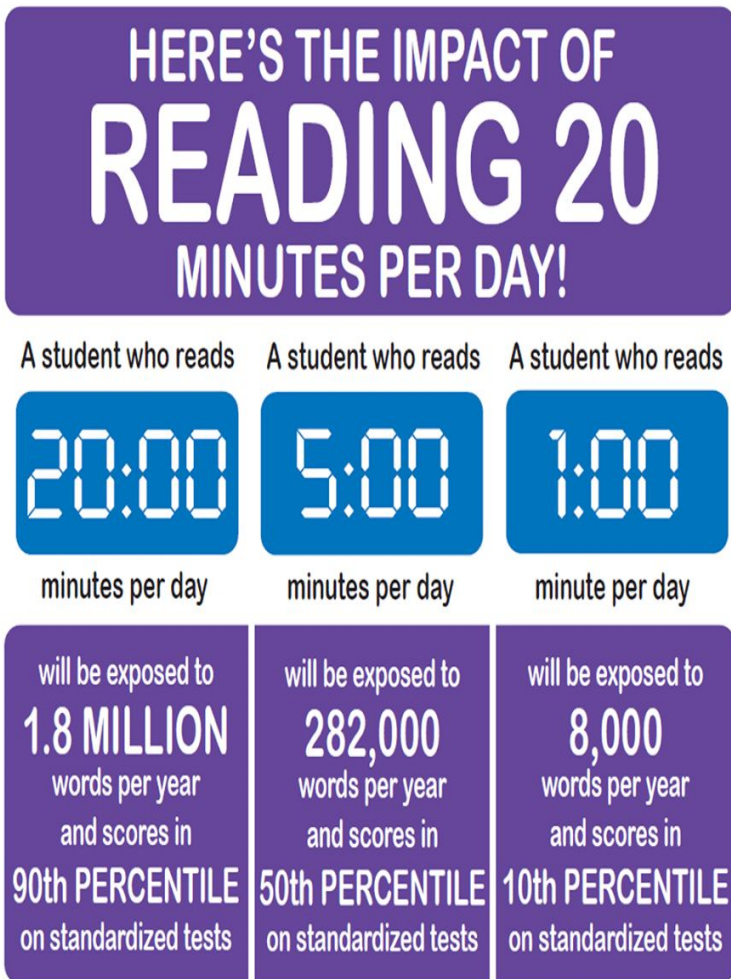

I also would like to thank you for your support throughout the past school year. I know that the pandemic created a lot of stress and issues that we didn't always agree on. However, we were able to make it through the entire school year without having to shut down. So I am thankful for that and the support the patrons of Shickley gave the school throughout the past school year.

With all that being said, I would encourage you to challenge your children to continue reading throughout the summer. This is a simple way to help keep them on pace with their education and help them prepare for the upcoming school year. Reading is a gift that will help your children in the future. If your children are unable to read, try to make it part of your night time routine to read one book before bed.

One last thing that I wanted to touch on was the lack of substitutes that we had this past school year. If your schedule is fairly flexible and you would like to help out at the school you can apply to become a local substitute teacher. This would allow you to sub for 90 days here in Shickley. It would also allow you to sub 90 days at other neighboring schools as well.

Again, I hope you are all able to enjoy some more family time. I hope you are able to take some time to relax and enjoy the warm weather. Thanks for all you do for your children and Shickley!! Have a great summer!!

- Mr. Warren
